

Using the Vanco Mobile app to donate to Cleveland Park Congregational UCC

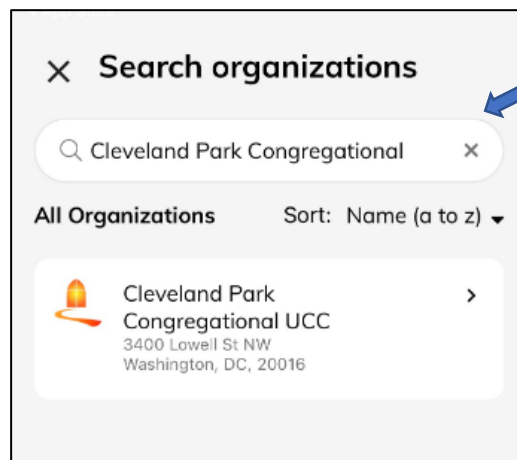

Use the **Vanco Mobile Faith Engagement** app (available for [iOS](#) or [Android](#)) to donate easily and securely to CPC. You can sign in using your existing Vanco online donation user ID and password (if you set one when using the [CPC web site](#)), or you may create one now

1 Step 1: **Download the app.** Search for “Vanco Mobile Faith Engagement” in the Apple App Store or Google Play.

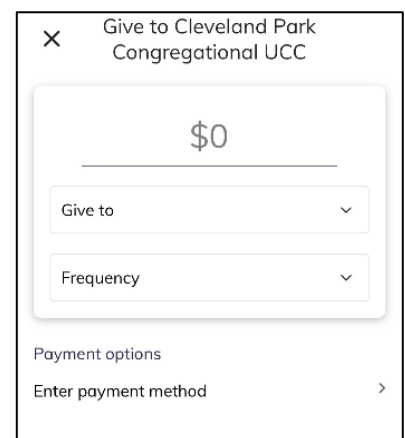

2 Step 2: **Find our church!** When you first open the app, you'll be prompted to find your organization – our church! Click the purple “Find your organization” button (left) to search for it.

Enter part of our church name (“Cleveland Park Congregational”) in the search bar. You should see CPC in the results, with the church logo and address.

3 Step 3: **Donate!** Now you're ready to donate. Follow these steps:

- Enter the amount you want to give
- Select where you want your gift to go under "Give to" (e.g. pledge, general contribution, capital campaign, or a special collection like 'Neighbors in Need')
- Select your preferred frequency – once, monthly, etc.
- Select a payment method (credit or debit card or bank account) from the drop down menu
- Enter your payment information. You may want to do this step at home, where you'll have the necessary info handy. Check the box if you want to save this method in your app for future gifts.

THANK YOU!

for supporting the life and works of Cleveland Park Congregational United Church of Christ!
